SUPPLEMENT TO THE 284 395

MYSORE GAZETTE.

No. 20 Published by Authority. of 1879.

BANGALORE, SATURDAY, MAY 17, 1879.

OFFICIAL PAPERS.

Abstract of Season or Intermediate Reports for the Week ending 10*th May* 1879.

Bangalore District.—Ninety cents of rain were gauged in the Cantonment. Rain also fell in other parts of the District. Injury to Vaisak paddy crops still continue to be committed by rats in the Doddballapur, Hoskote and Anekal Taluks. Prospects favorable. Fever and ague in some places, otherwise the health of the public is good. Prices stationary.

Kolar District.—Forty cents rain at head-quarters. Copious showers also fell in the District. The Vaisak paddy crop in the Shrinivaspur Taluk has been injured by the fall of hail. Elsewhere fields are commenced to be ploughed for sowing. Fevers still prevail. The price of ragi has risen, that of rice is stationary.

Tumkur District.—Eighty-three and a half cents of rain fell at head-quarters. State of crops and prospects of season good. Public health improving.

Mysore District.—Twenty-six cents of rain at Mysore. Sugar-cane and cotton crops thriving. Prospects and public health good. Prices stationary.

Hassan District.—Rain-fall 2 inches and 1 cent at Hassan. The paddy crop is good, and is being reaped in some parts of the Hassan Taluk. Ploughing has commenced. Prospects favorable. Ague prevails in the Hassan, Arkalgúd, Attikuppa and Haranhalli Taluks. Price of ragi fell, while that of rice remained stationary.

Shimoga District.—Fifty-two cents of rain fell at head-quarters. The sugar-cane and Vaisak paddy crops are thriving. Prospects good. Fever prevalent. Cattle are in good condition. Prices stationary.

Kadur District.—One inch 39 cents rain fell at Chikmagalur. Gid-ragi has been sown to a small extent. Sugar-cane crops are thriving. Ryots are engaged in ploughing. Prospects favorable. Public health generally good. Prices stationary. Cattle are doing well.

Chitaldroog District.—Eighty-five cents of rain fell at Chitaldroog. Rain also fell in Davangere and Budihal. The paddy crops are healthy. Navane and javari crops were harvested in the Dodéri Taluk. Fever and ague prevail in many parts of the District. Prices risen.

Coorg.—Rain-fall 27 cents. Agricultural prospects good. Health improving.

By Order,

C. RANGACHARLU,
Revenue Secretary.
